

How to Use the Thrubox app to launch the interactive features:

To launch them you'll need an Android or iOS smart phone or tablet and the Thrubox app.

THRUBOX[™]
DIGITAL REVITALIZATION OF PRINT MEDIA[®]

First, download the Thrubox app (see download instructions on menu page).
Next, look for the interactive markers "Scan Whole Page" mask icon.

First open the Thrubox app on your phone or tablet. Then, Scan the marker by holding the camera of your smart phone or tablet over the marker. Most features launch automatically. Make sure your sound is on! Every marker launches a different feature. So, keep searching and scanning!

Storybooks

Feature #1: Read-Along Audio

The book's title page has a "Scan to Listen" icon.

Hold your camera above the page to launch the audio track for non-readers, with a "turn the page" cue.

Feature #2: "Get Dressed for Adventure" mini-game.

Scan the marker on page 4 or page 6 of the storybook to play the mini-game.

Feature #3: "Finding the Peekabeans"

Scan the marker to launch the animated sequences for "Finding the Peekabeans".

Aunt Nellie's Postcard

Scan the marker to listen to a 7-minute podcast story from world renowned explorer, Aunt Nellie!

Peekabeans Badge

Scan the markers to watch a Peekabean friend come to life with this 3D animation feature. Each Peekabean has a unique look and personality!
